**Charging Your Speaker**

In order to charge your speaker’s internal lithium battery, connect one end of the included USB charging cable into the charging port on the back of the speaker. Plug the other end into the included AC adapter, and then plug your AC adapter into a suitable wall outlet. When charging, an LED indicator light on your speaker will turn red. This light will power off when your speaker is fully charged. Charging will take up to 3 hours depending on how drained the speaker’s battery is.

**Listening to Music**

Once you have paired your speaker with your Bluetooth audio device you can proceed to listen to music.
• You can quickly tap the Bluetooth Button to play or pause a track.
• Press and hold the Volume + Button on your speaker for about two seconds to advance to the next song in a playlist.
• Press and hold the Volume - Button on your speaker for about two seconds to go back to the previous song in a playlist.
• Tap the Volume + button on your speaker to increase the volume.
• Tap the Volume - button on your speaker to decrease the volume.
• Press and hold the Power Button on your speaker for about two seconds to power off your speaker.
• You can also control volume and select tracks using your Bluetooth audio source.

---

**Taking Phone Calls**

• Once your speaker is synced with a phone it is easy to take calls.
• When there is an incoming call, quickly tap the Bluetooth Button to accept an incoming call.
• To reject an incoming call, press and hold the Bluetooth Button for about three seconds.
• To end a call, quickly tap the Power Button again.

**NOTE:** You can also use the included 3.5mm AUX-IN Cable to connect audio devices through the AUX-IN port on your speaker.
Care and Maintenance

- Before using your speaker, inspect the ports and jacks to make sure that they are clear of dust and debris before charging or inserting an AUX cable.

- Use a soft cloth to clean your speaker. Never use any harsh chemicals or detergents. Make sure your speaker is dry before using.

- When your speaker is not in use, it should be stored in a cool, dry place.

- Never tug or yank on the charging cable or AUX cable while they are connected to your speaker. Connect and disconnect these cables as carefully as possible.

- Never expose your speaker to high temperatures, extreme cold or severe humidity for excessive periods of time.

- Give your ears a break. Do not listen to your speaker at high volumes for extended periods of time.

- Please recycle or dispose of your speaker properly based on the laws and rules of your municipality. Contact local recycling facilities and/or the manufacturer of your speaker for further information.
