1. Make sure the following items are included in your package.

![Charging Dock](image)

- MZX499 Waterproof Sports Earphones
- Ear Caps
- USB Cable

2. For a look at the various buttons and parts on your earphones, view the graphic below.

![Earphones Diagram](image)

- Earloop
- Ear Tips
- Microphone
- LED Indicator Light
- Charging Contacts
- Volume Up/Next Track
- Power/Answer
- Volume Down/Previous Track

3. Charging: Use the included charging dock to charge your earphones. To charge, make sure that the charging contacts on your earphones touch the charging terminals on the dock. When charging, a red LED indicator light will illuminate on the charging dock. When charging is complete, the LED indicator light will turn off. Your earphones can take up to two hours to charge.

4. Powering ON/Powering OFF Your Earphones:

- Press and hold the Power button for approximately 3-5 seconds to power on your earphones. Your earphones will automatically connect with the last phone they were paired with if they have previously been paired.

- Once powered on, you can press and hold the Power button again for approximately three seconds to power off your earphones.

NOTE: In order to save power, your earphones will automatically power off if left unpaired and idle for several minutes.

5. Pairing Your Earphones With a Bluetooth Phone

- Press and hold the Power button to get music from your audio source to play or pause.

- Press and hold the Volume Up or Volume Down buttons to advance to the next song or go back to the previous one.

- Repeatedly tap the Volume Up or Volume Down buttons to increase or decrease the volume.

- Music will automatically pause when a call is dialed out or when there is an incoming call. It will resume when the call ends.

6. Wearing Your Earphones

For the best sound performance and a secure, comfortable fit, be sure that the ear buds rest gently in your ear and drape around the back of your neck. Use the ear caps that works best for you.

7. Listening to Music

Play/Pause
Press the Power button to get music from your audio source to play or pause.

Next/Previous Song
Press and hold the Volume Up or Volume Down buttons to advance to the next song or go back to the previous one.

Increase/Decrease Volume
Repeatedly tap the Volume Up or Volume Down buttons to increase or decrease the volume.

NOTE: Music will automatically pause when a call is dialed out or when there is an incoming call. It will resume when the call ends.

8. Using Your Earphones During Phone Calls

Last Number Redialing
Quickly tap on the Answer button twice and the last number that you dialed will be redialed.

Answering an Incoming Call
To answer an incoming call, quickly press the Answer button.

Ending a Call
To end a call, quickly press the Answer button, and the call will be disconnected.

Adjusting Volume
By pressing the Volume Up or Volume Down buttons you can increase or decrease the volume of the phone call.
Altec Lansing One Year Warranty Card

This warranty covers the original consumer purchaser only and is not transferable.

What Is Not Covered by Warranty

Damages or malfunctions not resulting from defects in material or workmanship and damages or malfunctions from other than normal use, including but limited to, repair by unauthorized parties, tampering, modification or accident.

To Obtain Warranty Service and Troubleshooting information:

Call 1-855-292-4087 or visit our website at www.alteclansing.com.

To receive Warranty service along with the name and address of an authorized product service center, the original consumer purchaser must contact us for problem determination and service procedures. Proof of purchase in the form of a bill of sale or receipted invoice, evidencing that the Product is within the applicable Warranty period(s), MUST be presented in order to obtain the requested service. It is your responsibility to properly package and send any defective products along with a dated copy of proof of purchase, a written explanation of the problem, and a valid return address to the authorized service center at your expense. Do not include any other items or accessories with the defective product. Any products received by the authorized service center that are not covered by warranty will be returned unrepairs.

Technical Support

Some countries, states or provinces do not allow the exclusion or limitation of incidental or consequential damages or allow limitations on warranties, so limitation or exclusions may not apply to you. This warranty gives you specific legal rights, and you may have other rights that vary from state to state or province to province. Contact your authorized retailer to determine if another warranty applies. This product is manufactured, distributed and sold by SAKAR International, Inc. All other trademarks are the property of the respective owner, who has not sponsored, endorsed or approved this product.

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference , and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with instructions. May cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or experienced radio/TV technician for help.

All specifications subject to change without notice.
